HYPNO-HEALTH & WELL-BEING

You've come to Carmel Valley Ranch to play and relax; why not extend the benefits of your hard-earned vacation with a Hypno-Health: Wellness for Mind & Spirit treatment at Spa Aiyana? The gentle hypnotherapy method of our in-house hypnotherapist, Dr. Bee Epstein-Shepherd, is a fast and effective way to instantly reduce stress and to promote deeper, sounder sleep or weight wellness. She'll also give you a recording of your hypnosis, so you can use it as guidance for self-hypnosis and reinforcement at home.

SLEEP WELLNESS

60 MIN/ 385 | 80 MIN/ 505

Stress less and sleep better. Stress interrupts sleep, slows the healing process, speeds up aging, and compromises our ability to feel and perform at our best. Now you can de-stress in a matter of minutes with an innovative treatment that promotes sleep wellness and leaves you relaxed, calm, and free of muscle tension.

WEIGHT WELLNESS

60 MIN/ 385 | 80 MIN/ 505

Are you someone who always is just five to 15 pounds heavier than is best for you? Or perhaps you are a professional dieter—do you feel like you have tried every diet and failed at most of them? Hypnosis can end the yo-yo dieting and keep you at a healthy weight.

Numerous clinical studies have proven that hypnosis is amazingly effective in helping weight loss. In fact, when hypnosis supports a weight-control program, long-term success is more likely.

MIND WELLNESS

60 MIN/ 385 | 80 MIN/ 505

Detox mentally and stress less. You can detox your body inside and out with cleanses, scrubs, diet changes, and massages. But how do you clear your mind? Mental detox—exclusively offered at Spa Aiyana with Dr. Bee—is a revolutionary treatment that uses hypnosis to reduce stress and anxiety while you learn to bring calm and clarity to your thoughts.
